15. Is there anything that you think we could do to make school life better for your child?

We are expecting more homework for him to practice

No

No

No

At least allow car parking facility for children to be dropped off and picked up easily without hassle

As an encouragement, I believe you should keep up the good work

Improve the school dinner quality

For parents to be informed when their child is bullying other children

More information about Breakfast Club, After School Club and Lunchtime Clubs

Age appropriate areas at playtime!

Better safe play equipment and presentation externally

I hope there is a chance to meet the teacher once a term to discuss with her any concerns about my child's learning, interests and social behaviour

Open the door earlier when the weather is severe.

Be more vigilant toward sensitive children

I would appreciate if the teacher can be more friendly and happy when clearing doubts with parents.

The communication with parents is not on the highest level. Very often we are being informed at the very last minute about events like Parents Evenings and Nativity Play. For working parents this is a real struggle.

When it is raining letting the children in first thing in the morning should be done instead of waiting for the teachers to collect them at 9.05!!! This in turn makes the children ill with coughs and colds and then eventually they take time off school.

Letters should be sent out and not a text through Group Call.

Nil

I would like to have more fun related competitions so they are challenged to do even better

My child complains she finds it hard to concentrate in class because it is noisy. This has been since P1

Nope

Clearer homework instruction

New basketball nets

Utilise the small playground for lower primary Reading Groups to encourage literacy

Review Parent Council – could other parents commit to other night for example?

More opportunities for singing, Chess Club

Need more home work

SHELTERS

Do away with Zones

We have the impression that the work done with Mrs Hewitt is excellent in encouraging smaller groups to push the boundaries of their learning.

Where homework deadlines extend over a weekend this provides good flexibility in finding the time to work with our child on this and fit it in with family life.
